1955

"Hand in hand, we begin."

THE PIRATE 1955

MULHALL HIGH SCHOOL
MULHALL, OKLAHOMA

To The Students

Dear Students:

The Annual Staff has published this annual, recording the events to keep your memories of the school year, 1954-55, in years to come.

Let's imagine it is 1965 or 1970 and one of you have just begun to look through the 1955 annual. You start looking and you begin to remember or sort of dream you were back at that time again. Each person is like a character in a movie or a book. They all seem to fit in their places like a happening or what went on one day at school. Then you will think how much fun you had at school and wish you could do it again. When you have finished you sit there relaxed and maybe halfway dreaming, you will say, "I'm sure glad I kept my old High School Annual."

That is my vision of the reason an annual is published. It is to record the school year in pictures. I think we have captured the school year well in the pages of this annual.

I hope you enjoy it as much as we enjoyed making it.

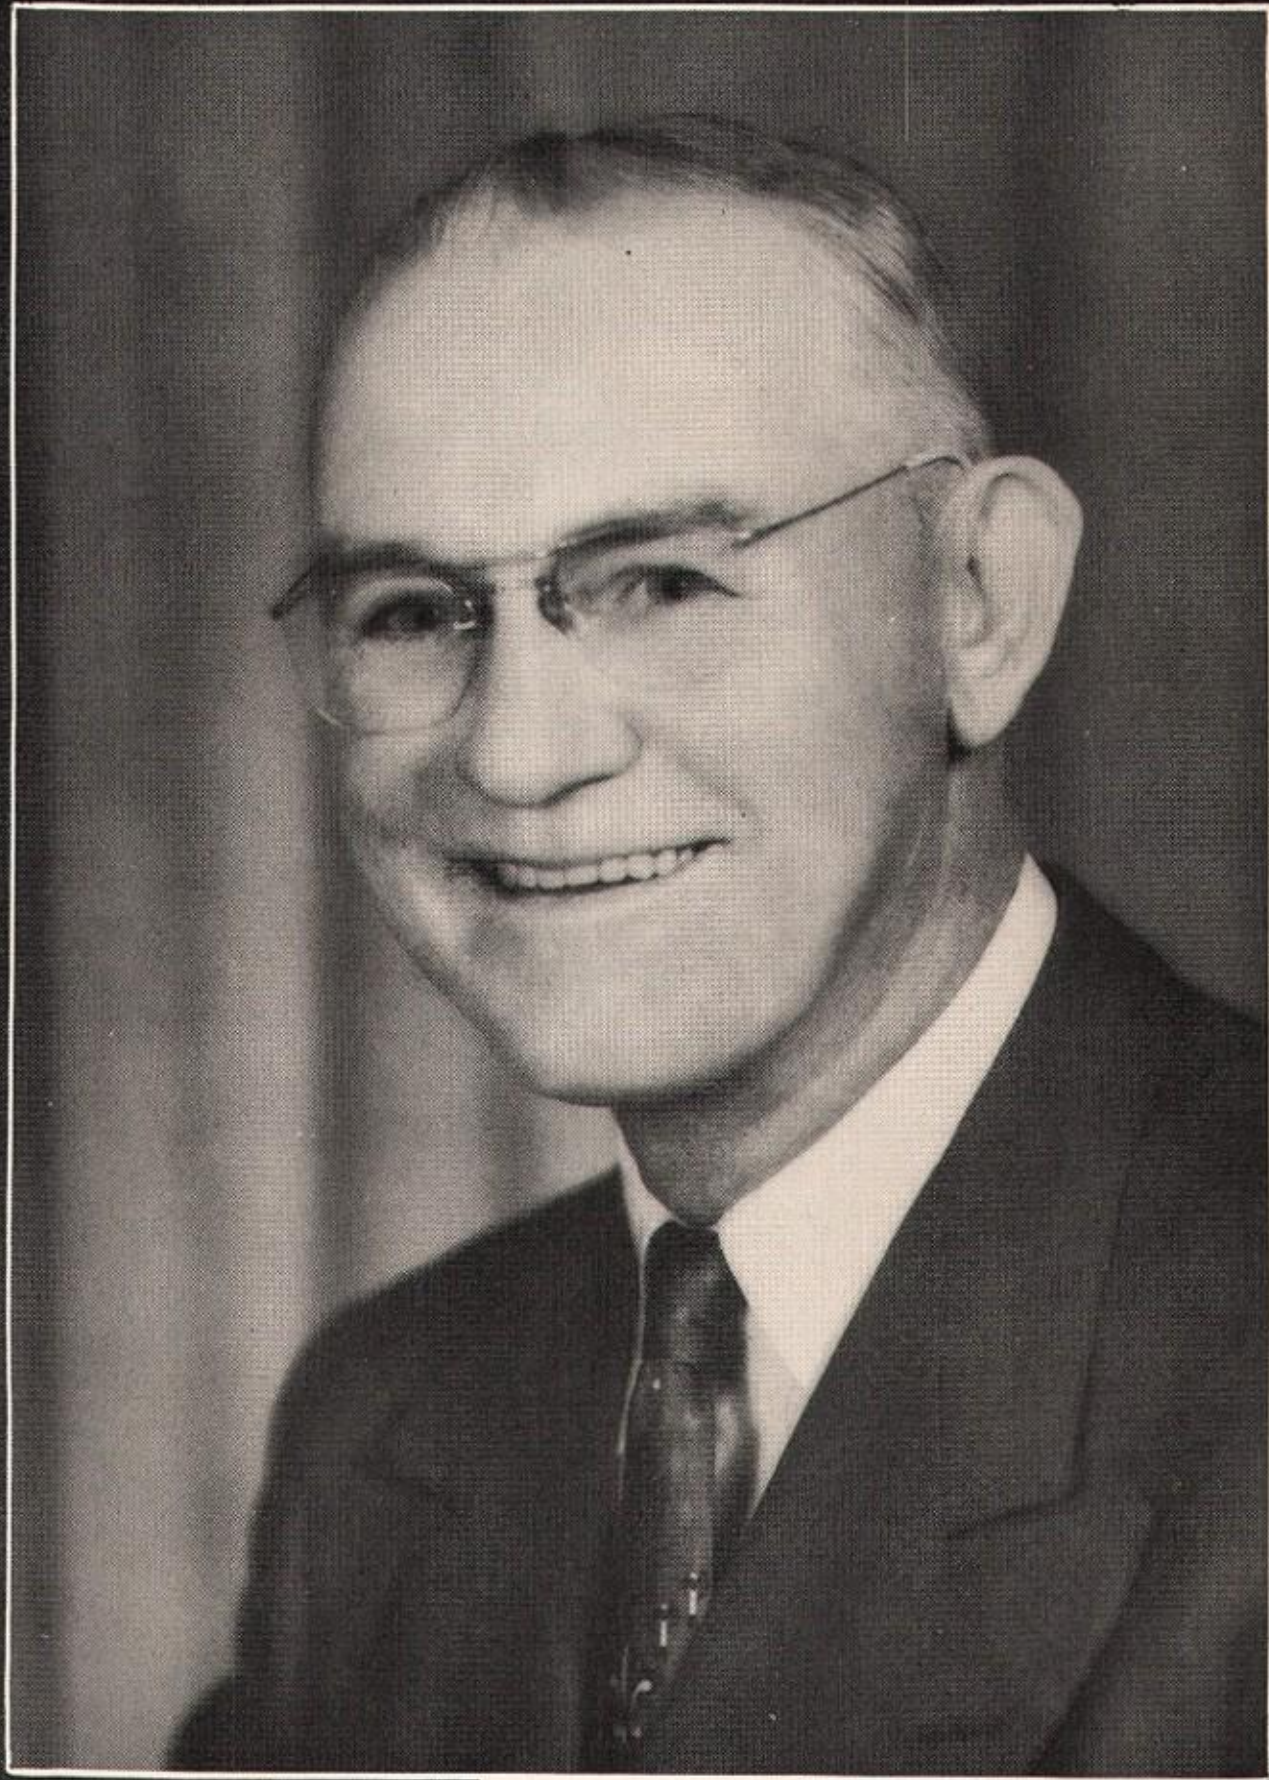

Sincerely,

Charles Ritter

Dedication

WALT ANDREWS

We wish to dedicate the Annual of 1955 to you, Walt Andrews. As custodian, you have diligently served our school for twenty three years. Your friendliness, cheerful smile, faithful service, and ceaseless interest in our school have inspired us throughout high school. We are humbly proud and grateful for your many services.

Superintendent

Adminis

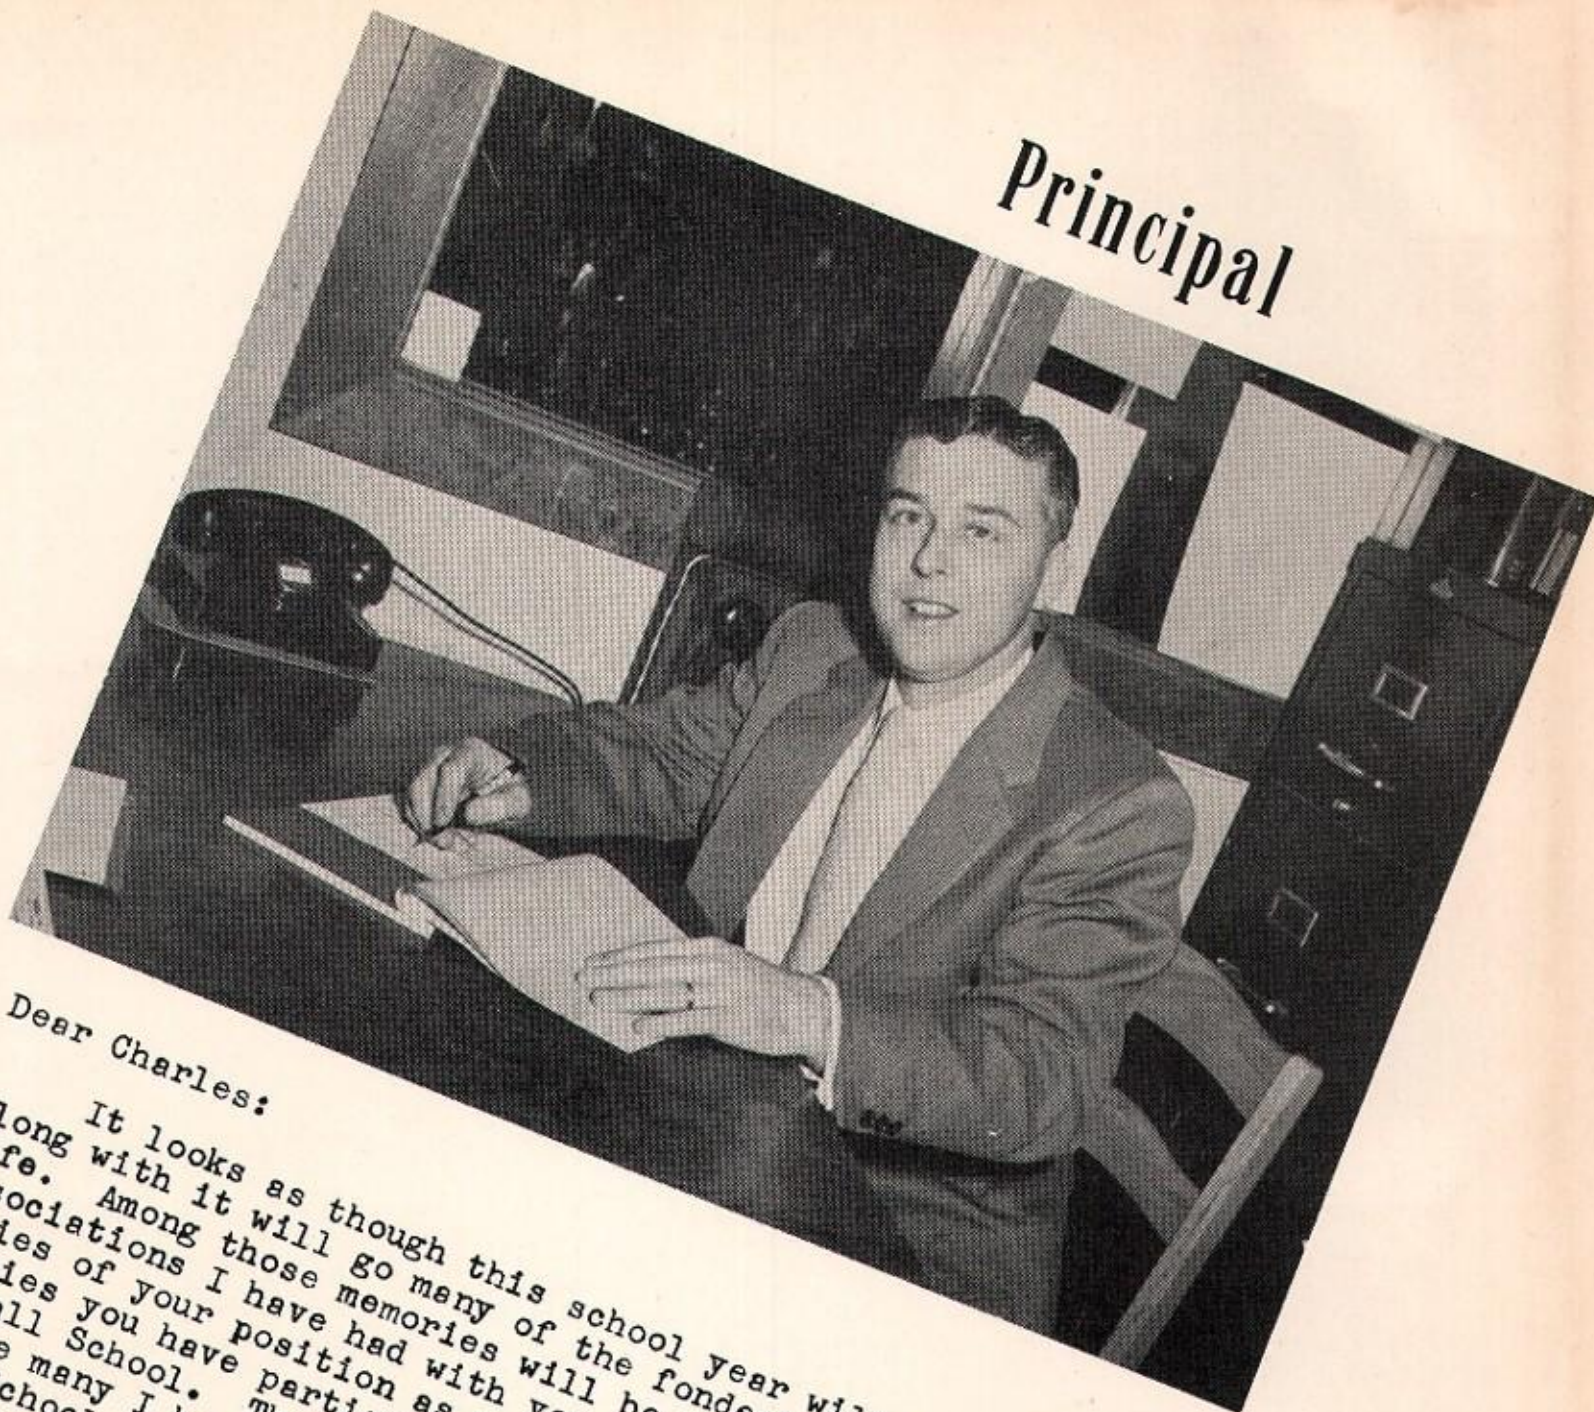

The success of any school administration is dependent upon all teachers, administrators, school board members, and community patrons. Realizing these factors, I humbly thank and appreciate the cooperation extended me by all. To the student body I wish to express my appreciation of the wholesome atmosphere that existed day by day in our school. All of us will not achieve outstanding records, but we can learn to humbly take our places in whatever environment or station life presents, becoming loyal citizens of our nation, upholding its laws, maintaining its internal peace. Daily as we live, associating with the multitudes, we unceasingly realize that the great thing in this world is not so much where we stand, but in which direction we are journeying.

Carl Robbyer

tration

Principal

Dear Charles:

It looks as though this school year will soon be gone. Along with it will go many of the fondest memories of my life. Among those memories will be the many pleasant associations I have had with you as just a student of my duties of your position as president of the general activities of the many I have participated in as just a sample of the many I have had in my first year as principal of a Mulhall School. These pleasant memories are just a sample of the many I have had in my first year as principal of a High School. This year has had many highlights in co-operative life---these will remain as a vital imprint on my mind as the various departments, the school year 1954-1955 School we have just always, the little upheavals in find anywhere. As I have watched the school year one could pass by, I have watched many boys and girls grow "in wisdom and stature" and prepare themselves a little more for the task of living a life. May I say again my association with you and the many students of our school has indeed been a rich experience. May you and your fellow classmates continue on the right path of living your life by your parents and elders. And may you in years to come look back upon this school year as being one of the greatest times of your lives.

Sincerely yours,

Phil Carrier
Phil Carrier

School Board

L. E. King (Member)

THE CAPABLE BOARD of education directed Mulhall school's educational needs during the school year 1954-55. THEY PROVIDED additional facilities which include seven new typewriters, folding chairs, a stainless steel sink for the lunch room, an automatic washing machine and dryer. Hand tools, power machinery, concrete floor in shop, and a floor in the overhead of classroom in agriculture building were added. A new school bus chassis, which is essential to our pupils transportation, was purchased.

WE, THE STUDENT COUNCIL, are the governing body of our school. Throughout the year, we have sponsored a Halloween party, decorated the halls during Christmas-time, and had charge of concessions and information booth during the Kilo Conference Tournament.

We also have provided a recreation room for the students, furnished records to be played during school lunch hour, and, as always, established citizenship grades. We have accomplished much this year and hope to accomplish more throughout the years to come.

Annual Staff

PUBLISHING the Annual is a huge job. It requires time and effort, as well as the co-operation of all concerned. We have tried to put out the best Annual ever. Our photographer, Mr. Wm. H. Krouse, of Fairview, has made all the pictures in this Annual possible.

We think he has done an excellent job. We hope you enjoy the Annual, and that it will help you recall many fond memories of the 19-'55 school year.

Reporters

Seated Left to Right. Joyce Clark, Shirley Richards, Betty Ritter, Janice Barker, Gloria Heppler, Wilma Hannah, Mona Patterson, Barbara Blaney, Patsy Towle, Ann Miller. Standing Left to Right. Mike Malone, Wayne King, Ralph Yost, Ted Taylor, Harvey Ferguson, Barbara Kissner, Jerry Sweeney

Library Club

Librarians are left to right: Imogene Gannaway, Lela Clark, Bertha Patterson, Dorothy Patterson, and Beth Pritchett.

Dorothy and Lela are shown checking out a book.

Max Shafer is only one of many who enjoy selecting magazines from a fine magazine rack made by the Industrial Arts Department.

Leon checks the card file to see whose books are due.

Leon Fitzpatrick, who has taken Beth's place and who is also the only boy librarian, has certainly mastered his position as such.

No more washday blues for these Home Ec girls.

These girls know the way to a man's heart is through his stomach!

Sewing is fun as well as economical.

A stitch in time saves nine, you know!

Home Economics

OUR HOME EC. CLASSES have been kept very busy this year. Our annual "Slick Chick" style show and reception was a huge success. We girls modeled our new outfits, wrote the script for the play, and decorated the cottage for this big event. We also served for the H-H - FFA banquet, wearing the aprons we had made for the occasion. First Aid, Baby care, Sewing, and Food preparation are some of the general homemaking courses we study. We love it, too!

HOME EC 1. Left to right-Imogene Gannaway, Bertha Patterson, Bobbie Kissner, Pat Towle, Babs Blaney. Second row-June Leonard, Becky Spencer, Lenora Hunt, Jerry Malone, Gloria Heppler, Phyllis Voskuhl.

HOME EC 11. Left to right-Norma Ditch, Bertha Lovelady, Dorothy Patterson, Dorothy Martin. Second row-Lela Clark, Marj Flasch, Darlene Silvers, Betty Ritter, Mona Patterson.

JUNIOR HIGH GIRLS: Left to right; Gerrye Martin, Ann Harris, Wanda Spaulding, Linda Hopfer, Jan Lasater, Ina Heppler, Ramona Dittelmier, Sybil Shafer, Joyce Lasater, Treasa Richards, Barbara Leonard, Carolyn Mills, Betty Oldenburg, Doris Fitzpatrick

Makeup should be subtle, so not too much, please.

Oops! Careful girls, or you'll get that hem crooked.

The Junior High students learn the basic essentials of sewing.

Industrial Arts

Much of the failure and disappointment in life and possibly much of the crime that abounds may be attributed to the fact that so large a proportion of our youth go out from our schools imperfectly prepared to meet the demands of the world in which they find themselves compelled to make some kind of living.

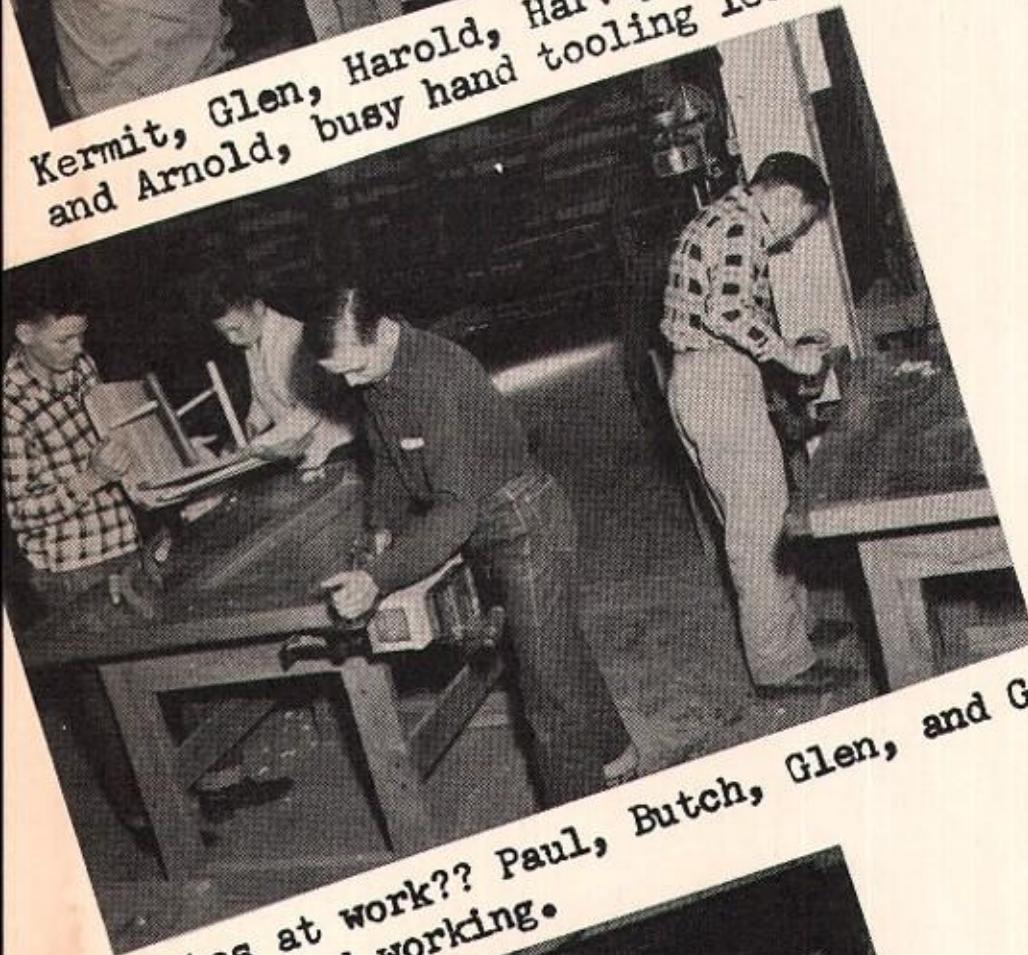

Industrial arts, presented from the exploratory view point, attack with skill development being the basic starting place can contribute much to an individuals achievements.

By skill I mean every kind of skill that adds to our material comfort and spiritual growth. From reverence for skill grows the desire to be skillful. As a skill develops, knowledge also develops, for skill-after-all-is wisdom in action.

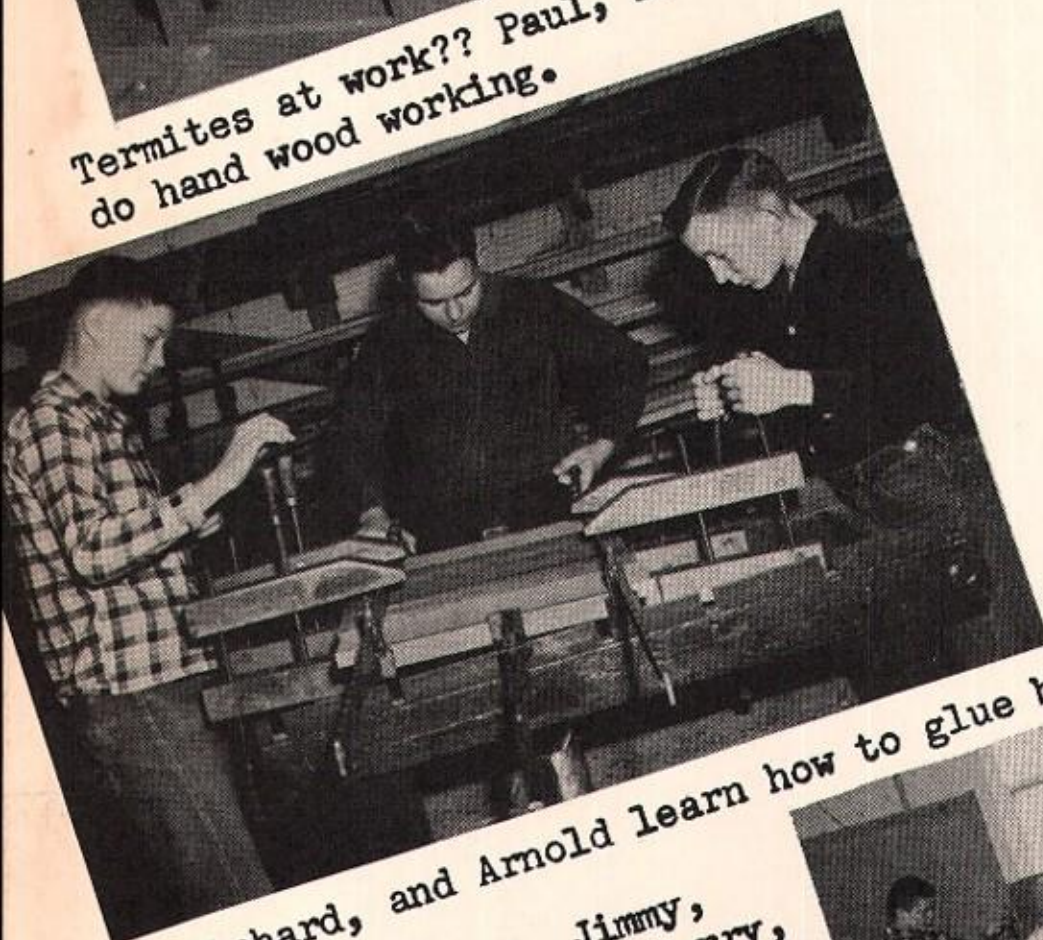

Industrial Arts workshop are the center of real work relationships as we make our projects and methods more directly related to the real life of the school or the community.

Kermit, Glen, Harold, Harvey, Mr. Roblyer, Jerry, and Arnold, busy hand tooling leather belts.

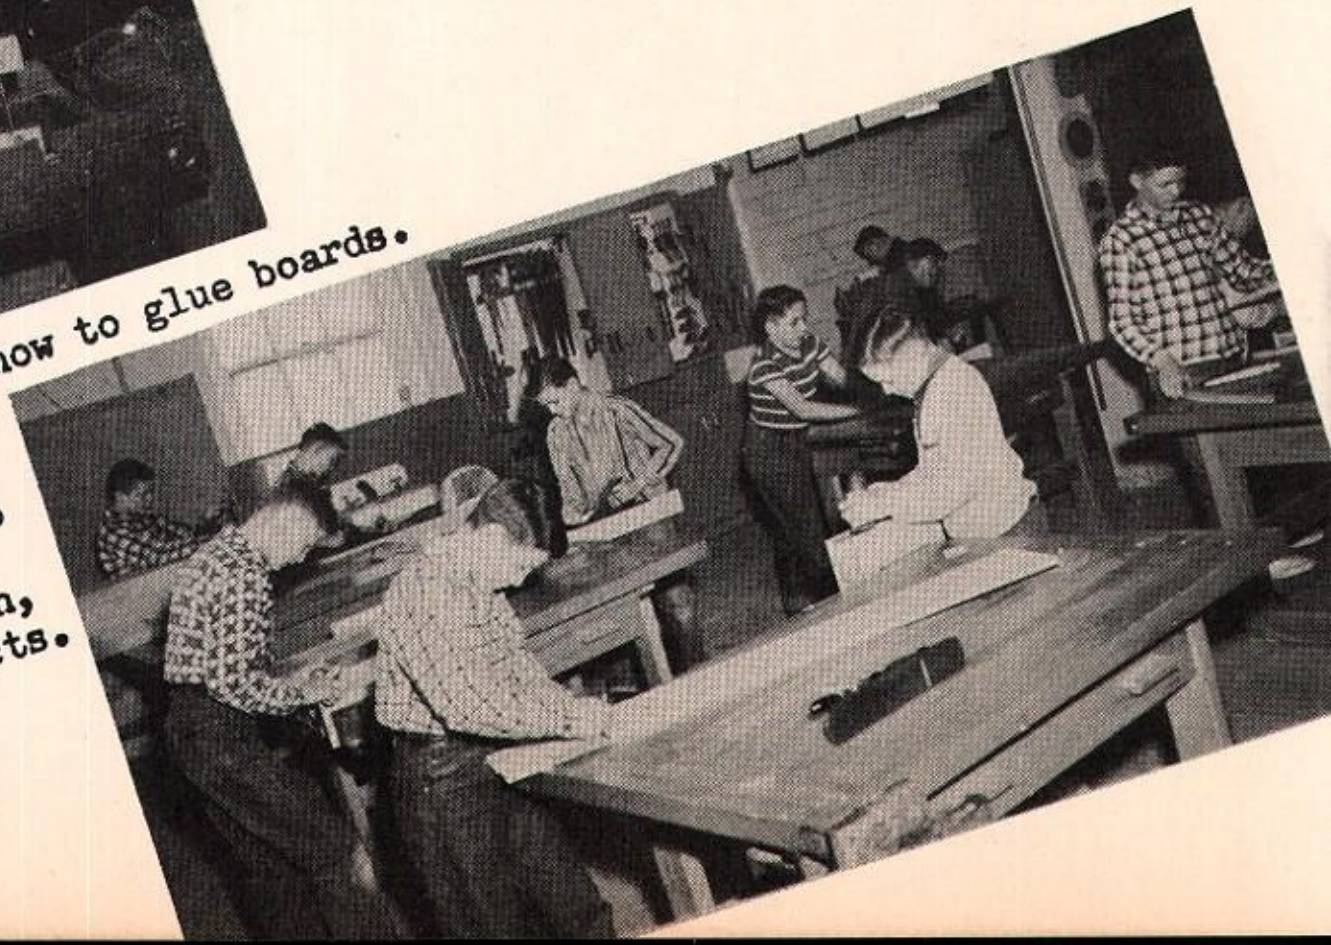

Termites at work?? Paul, Butch, Glen, and George do hand wood working.

Basketball

Me See No Evil,
Me Hear No Evil, Me Speak No Evil.

Boys Basketball

Fourteen Pirates set sail at the beginning of the season with Carl Roblyer entering his second year as Coach. Our first game with Arcadia was a lose, but we proved to be victorious our next four games. Glencoe, then stopping our continuous wins, beat us by one point. The sea seemed stormy for the Pirates; although, their attempts were great, the next four games resulted in only two wins. Crescent defeated us. By the time Olive captured us at Morrison to drive us out of the 89er Conference Tournament, we were sure the "The Black Spot" had been given to our Pirates. Proving this to be wrong, we made four straight victories.

The Kilo Conference Tournament was played in our gym. We took care of Eureka and Deer Creek, only to be tumbled in deep water by Jones. We managed to come up with second place trophy as our treasure. In a return game with Jones, we won. A series of games followed, some proving fatal and an equal number victorious. In the last game with Crescent, we were again beaten.

As queen of the Pirates and Pirettes, Beverly Diehl was crowned by Max Bircket at the half of the Deer Creek game.

We finished our voyage at Coyle in the District Tournament with a lose of two points to Norfolk.

The five chief "mates" of the ship during this season's voyage were Max Bircket, Roy Towle, Allen Spaulding, Ralph Yost, and Vernon Dixon. The season ended with a large treasure of seventeen wins and only thirteen loses for "The Pirates."

Regional Tournament		
29	Morrison	37

The school year 1954-55 has been kind to the pirettes. We started the season with eight lettermen and a 42-27 win in the first ball game. Soon cupid stepped in and Beth's place at guard was filled by Freshman Pat Towle. Christmas rolled around and again Cupid paid us a visit. Lenora and Doris alternated at Wilma's guard position for the rest of the season. The end of a glorious season came in the regional tournament with a loss to Morrison. Final count shows 21 wins against only 11 losses, with 7 of these losses coming at the hands of Class A teams. High lights of this very successful season include a 19-12 thrilling win over Coyle, and 45-38 win over Morrison (both of whom later went to state), a broken nose at Covington (which resulted in a midnight ride over icy highways for J. D. and coach, a triple overtime win over Jones with Norma finally hitting in the third overtime to make the score 45-43 in favor of the Pirettes, winning the district tournament at Coyle with a 51-32 win over Arcadia and a 54-25 win over Orlando, playing host for the annual Kilo Conference tournament which saw us win our first game 36-39 over Deer Creek, only to be eliminated by Luther.

Guards

Eight returning letterman soon dwindled to six.

Marj

The five girls who were chose to represent the Pirettes in the Kilo Conference ALL-STAR game.

Queen and Attendants

The team and its Royalty

A total of 22 girls were participating in workouts this year at various times and as a result, not enough suits were available. Some of the girls who did not get a suit, but continued to work out each day included Laurah Rains, June Leonerd, Phylis Voskuhl, and Lela Clark. A bit of tribute should go to the girls who work out each day, go to the games and have to sit on the bench. We have a number of girls who go through that many times, and they should be commended. Darlene, Mona, Betty, Bobbie all know who we are refering to. Four more girls will be awarded the traditional black and orange letter jacket for their efforts this year. They are all freshmen and are: Barbara Blaney, Barbara Kissner, Lenora Hunt, and Pat Towle. Only graduating senior who was with the team all year is Bev Diehl, who has lettered all four years and holds the individual scoring record for Mulhall School. Needless to say, she will be missed next year. However, five of the starting six will return along with a host of strong substitutes. Next season should hold a bright future for the Mulhall Pirettes.

"COACH"

Basketball Queen

BEVERLY DIEHL

Renewing a custom of several years ago, the basketball teams chose Beverly Diehl for their Basketball Queen. Nancy Heppler and Jan Barker were the chosen attendants. Beverly was crowned by Max Birket at half time of the Deer Creek game on February 11. Nancy was escorted by Pike Spaulding and Janice by Johnny Ferguson. Crown bearer was Arnold Flasch and flower girl was Syble Shafer, captains of the grade teams. Members of the Pirates and Pirettes formed a large letter M while the queen and her procession marched in to the tune of "Let Me Call You Sweetheart." Following the game the teams were hosts for a reception for the Deer Creek teams. The 1954-55 queen coronation will long be one of the high lights of basketball at Mulhall School.

Grade Boys' Basketball

Left to Right, Front Row: Arnold Flasch, Butch Martin, Mike Malone, Jimmy Clark, Glen Hopper, Terry Blaney, Lloyd Fitzpatrick, Glen Terrel, Billy Schmiedbauer. Second Row: Jerry Uhrig, Richard Andrews, Marvin Spaulding, Harold Gorrell, Glen Raupe, Gary Fent, Kermit Redman.

Junior Boys' Basketball

Grade Girls' Basketball

Left Right; First Row; Jeanie Spaulding, Karen Fisher, Jeanie Barker, Ann Gorrell, Renee Roblyer, Tresa Richards, Second Row; Ina Heppler, Syble Shafer, Wanda Spaulding, Janice Lasater, Linda Hopfer, Ramona Dittlemier, Joyce Lasater

Coach Phil Carrier gives instructions to eighth grade girls, Syble Shafer, Ina Heppler, Janice Lasater, and Wanda Spaulding.

Practically none of the grade school girls had played any in a game at the start of the year, so the biggest job of all was simply learning what to do. We played several games and won our share. Four of the girls will move on to high school next year. Jan, Syble, Wanda, and Ina plus two of the seventh graders played most of the time, and we feel we have gained part of the fundamentals we will need in high school as well as the ability to play the game as best we know how.
